Research Interests

Risk Analysis, Causal Inference, ML

Education

Ph.D., Applied Economics, Computer Science, The Ohio State University, Columbus, OH *Aug 2024–Present*

Advisor: [Prof. Alexis H. Villacis](#)

Passed Ph.D. qualification exam with distinction.

Graduate Minor, Computer Science, The Ohio State University, Columbus, OH *Aug 2024–Present*

M.S., Statistics, Korea University, Seoul, Korea *Aug 2022–Aug 2024*

Advisor: [Prof. Seongjoo Song](#)

Thesis: The Impact of Operational Risk on Stock Prices: The Case of Korean Market

B.S., Statistics & Financial Engineering, Korea University, Seoul, Korea *Mar 2016–Feb 2023*

Exchange Student, University of Regensburg, Regensburg, Germany *Aug 2018–Feb 2019*

Work Experience

Data Science Intern, OECD Health Division, Paris, France *Mar 2024–Jun 2024*

- Conducted quantitative analyses of OECD healthcare quality indicators and authored analytical reports, examining factors such as cross-country differences and temporal trends using various statistical tests and data visualization methods.
- Participated in the OECD Working Party on Health Care Quality and Outcomes (HCQO) meeting.

Statistical Consulting, Seoul, Korea *Sep 2023 – Jan 2024*

- Provided statistical consulting and analytical support to clients from various domains, including sociology and international trade.

Student reporter, Ministry of Data and Statistics, Seoul, Korea *Feb 2017 – Jan 2018*

- Authored articles translating statistical concepts, data trends, and everyday applications into accessible content for general audiences.

Publications

[Automation or Augmentation? AI and the Future of American Farming](#)

Hankins, W., [Kim, J.](#), & Villacis, A.

Choices, 2026. [\[Open Access\]](#)

Working Papers

Climate Anomaly and Yield Distribution

[Jisoo Kim](#), Alexis H. Villacis

In progress

Does financial access mitigate the impact of armed conflict on food insecurity?

[Jisoo Kim](#), Alexis H. Villacis

Presented at the 2026 AAEA Annual Meeting.

Selected Projects

Portfolio Risk Optimization

Jan 2023–Aug 2024

Research Assistant, Korea University

- Developed and evaluated quantitative portfolio-risk strategies using Value at Risk (VaR), volatility, Maximum Drawdown (MDD), and quantile-based risk measures to reduce downside risk while preserving portfolio returns.

Teaching

The Ohio State University

Principle of Food and Resource Economics (AEDECON 2001)

Autumn 2026

Principle of Food and Resource Economics (AEDECON 2001)

Spring 2026

Principle of Food and Resource Economics (AEDECON 2001)

Autumn 2025

Korea University

Elementary Statistics (STAT170)

Autumn 2023

Financial Statistics (STAT413)

Spring 2023

Activities

KR/DE Language and Culture Exchange Club, University of Regensburg

Oct 2018–Feb 2019

Statistics Korea Blog Reporters, Statistics Korea

Feb 2017–Feb 2018

Student Council, Dept. of Statistics, Korea University

Feb 2017–Feb 2018

International Summer Campus Buddy, Korea University

Jul 2017–Aug 2018

Student Council, College of Political Science and Economics, Korea University

May 2016–Feb 2017

Skills

Technical Skills: R, Python, SQL, $\text{\LaTeX}$, SPSS, Excel, MATLAB, STATA

Statistical Methods: Causal Inference, ML, Distributional and Tail Risk Modeling

Languages: English (fluent), Korean (native)
